The speed with which the life savers at Watch Hill, Capt. Walter Davis in command, answered the call for help from the burning steamer Ontario last Monday morning, was a commendation of a Providence Sunday paper, is one phase of that disaster which should not be overlooked. This change is the result of quiet work on the part of a few of the summer residents of Newport with officials of the war department, as the firing of the big guns caused the jar of vibration near the forts at Newport and Jamestown.

Samuel M. Conant, chairman of the state harbor improvement commission, said Saturday, Congressman George H. Utter of Westerly is in hearty accord with the commission.

We have a friend, an old lady, living here, who had rheumatism for more than a year, and she too was cured. Her joints were all stiffened and swollen, and she had previously tried everything for rheumatism. She had ever heard of RHEUMA, 305 N. Warren Ave., Saginaw, Mich., July 27, 1911."

RHEUMA starts to drive the uric acid from your system within a few hours after the first dose. It acts on kidneys, stomach, liver and bladder and brings blessed relief in one or two days.
